## THE AFTERMATH | PART 2

Amandine desperately tries to get in touch with her brother Simon after the catastrophic events of the Blackout, but he's not answering her calls. She is nervously watching as Prisma Dimensions' CEO, Dr. Ivy Tan, condemns worldwide leaders for the global disaster when a breaking news alert interrupts the stream: a small number of people who were in the HYPER SCAPE at the time of the Blackout are now in comas—including Simon! Amandine rushes to the hospital to find out about her brother's condition. Dr. Thea "Prodigy" Jepson brings Amandine in to see her brother. Beaten down and overwhelmed, a tearful Amandine suddenly receives a message from the comatose Simon. And when she opens it, a thousand crowns fill the room. *Simon . . . what is going on?*
