SHADOW RISING | PART 2

Basilisk encounters a mysterious being called Tower, who offers him a deal: find his lost fragments in return for power and glory. Tower imparts a mysterious ability within Basilisk, but even so, the challenge of breaking into Prisma Dimensions seems daunting. Basilisk seeks out Mint, a shady operator who knows the ins and outs of Neo Arcadia. She connects Basilisk with Huo Shu, a genius hacker, and the two come up with a plan to breach Prisma's security, relying on guile rather than brute force.

Meanwhile, inside Prisma, Dr. Tan's right hand, Nikita, interrogates the user Asmae about anomalies and glitches she's been experiencing since the blackout. He performs a painful procedure to remove a code fragment that was embedded in her code base. But what is it?
