HYPER SCAPE™

INTO THE VOID | PART 1

Tower's forces have caused havoc across the Hyper Scape while pursuing his lost fragments. Basilisk and Huo Shu managed to get one from Prisma Dimensions, and chased Javi for another embedded inside her avatar, but she escaped. This chaos released Blackout ghosts—the Lost—into Neo Arcadia. But not all ghosts are lost: Simon Romée, Eiffel's protégé and Amandine's brother, has been in a coma since the Blackout. But due to having one of Tower's fragments, Simon has regained his faculties. Simon told Javi to go to his sister for help, but Simon knows he can't just sit and wait.

Meanwhile, Amandine and Nahari continue their investigation on Prisma. Amandine reached out to Paladin because of his old alliance with Basilisk, and the two spark up a friendship . . .
