Skull & Bones
Community Handbook

Welcome to the Skull & Bones community, we are glad to have you with us!

On our journey to launch we are eager to hear what our fans, new and old, have to say about the game. What are your expectations, dreams, feedback and ideas?

Both our developers and community teams are active on a wide set of channels, official and unofficial, where we are participating in and monitoring discussions. To make sure we don't miss out on what **you** have to say, here is a list of the most popular places to discuss Skull & Bones as of June 2018.

We are looking forward to seeing you there!

Official Channels – Owned and operated by Ubisoft
Ubisoft Forums
Twitter
Facebook
Game Page & Beta Sign-up

Unofficial Channels – Owned by community members
Discord
