

A close-up portrait of the character Mina Sidhu from the video game Watch Dogs: Legion. She has short, layered hair with a gradient from light blue to pink. She is wearing a white, high-tech tactical jacket with red and blue accents. Her right hand is raised, showing a black tactical glove. The background is dark with some blurred lights.

Sidhu**

**CHARACTER
REFERENCE GUIDE**

Mina Sionu

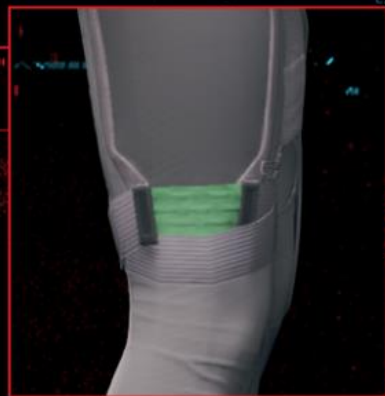

The doctors from Carcani Medical said it was her decision to volunteer, but when the other option is prison... that's not much of a choice.

[Once a test subject of transhuman experiments](#), Mina is motivated by the desire to fight Albion, and to free London from chaos.
